Rourkes Play One Today; Two Sunday

On account of wet grounds the first game of the series between the Rourkes and Topeka which was to have been played yesterday afternoon, was postponed until Sunday afternoon, when a double-header will be staged. The first game will be called at 2 o'clock. The game this afternoon will be called at 8 p.m. The three games between Omaha and the Rourkes mean a great deal to Omaha. Should the Rourkes capture three straight games they will have a good chance of landing in fourth place, but should they lose the majority of the series and Lincoln take two the Rourkes will in all probability land in sixth place.

HASTINGS TEAM LOSES SEVERAL FINE PLAYERS

HASTINGS, Neb., Oct. 6.—(Special.)—The football team is badly crippled this year as a result of many men of last year's squad entering the school. Fourteen men is the average number on the gridiron for practice. Coach Holste is working out this small number with good form for their conflict with Kearney State normal on October 14. At the annual game with the Hastings High school the college was successful, with a score of 15 to 6. The local high school team is heavier than that of the college and they have some excellent material. Since the high school game the team has lost one of last year's team, V. Felker, who played guard last year and filled the position of fullback in that game this season. It has also lost Parker, the new whirled tackle, who found it impossible to attend school regularly. Yager is another man who has left the squad. He needs a fine showing in the high school game in the position of right half and is very speedy.

DOUBLE VICTORY FOR GIANTS

Phillies Lose, Ten to Five and Five to Four.

Two Tigers Who Are Showing Strength

Rigg and Tol Pendleton, whose back field work will in a large measure decide just where Princeton will stand at the close of the collegiate season. Rigg, who is pictured kicking, will do a great deal of punting for the Tigers, while Pendleton, the phenomenal back, whose ground gaining ability was one of the features of the season of 1910, will be relied upon to rip up the opposition with his remarkable attacking powers and running.

Coach Miller still remains silent on the team that will oppose the LeMars aggregation. Just what caliber the local outfit is made of, will be open for inspection.
